Working together with NNHQIC (National Nursing Home Quality Improvement Campaign) cPMT can now receive data files from NNHQIC, eliminating the need to re-enter data. Authorization is completed when cPMT clients check the cPMT Program box on the NNHQIC website.

The screenshot shows the top navigation bar of the National Nursing Home Quality Improvement Campaign website. The header includes the logo, navigation links (PARTICIPANTS, RESOURCES, PROGRESS, GOALS, ABOUT, CONTACT US), and utility links (RSS FEED, SEARCH, SIGN IN/REGISTER). Below the header, there are six circular icons representing different participant statuses: Registered, Provisional Participant, In Progress Participant, In Progress Participant (Active), Full Participant (Inactive), and Full Active Participant. A blue banner below the icons reads "What is Participation?". Below this banner, the text "NURSING HOME REGISTRATION" is displayed in large, bold letters. Underneath, a series of steps are listed: Start Registration ✓, Verify Identity ✓, My Profile ✓, Contact Information ✓, Choose Options (highlighted in yellow), Select Goals, Set Password, and Review Registration.
